Taka Tuka Land Family House is a day-care facility for children located in Singen, Baden-Württemberg, Germany. The center offers a total of 45 places for children from age 1 to 6 in 3 mixed-age groups, each with 15 children. The opening hours are from 07:00 to 17:00 Monday to Thursday and from 7:00 to 15:00 on Fridays.

In addition, the center has a complete artist's workshop, gymnasium and an outdoor garden where children can play together and experience themselves by playing and working with art and colours, doing sports or by doing handicrafts.

The children are always accompanied by the educators. The main goal is that the interests of the children are being supported by the educators and the volunteers. Additional excursions to libraries, the city, parks or playgrounds take place. The day-care center is open to all children, no matter what nationality or social background they have. The children meet for breakfast and lunch in the day-care center, where you'll support them as well.

Taka Tuka Land has a long-term experience in working with local volunteers in its organisation. The team, which is mixed of different nationalities, offers an exciting working area for European Volunteers.
